Team Portfolio

Team Name : VEL (Vengai – Laohu)

Reason behind Team Name :

Our team is a combination of China and India, most powerful nations, which is growing at a rapid pace. Vengai in Tamil language is called Tiger. Laohu in Chinese language is called Tiger.

The project is done by Indo-Chinese collaboration.

Tiger is the strongest animal in the Wild, but lives solitude most of the time. In our team everyone is an individual Tiger, work as a core team to complete the project successfully.
